## ADJUST (ACCOUNTING ADMIN SIDE):

1.

Please Remove the Request Permit on the Analytics. Leave only the Request Clearance.

2.

The screenshot shows the Student Dashboard. The left sidebar contains a menu with options: Dashboard, Permit Request, Clearance Request, Student Record, Announcement, and Logout. The main content area is titled 'Student Dashboard' and 'Hello Accounting'. It features a table titled 'Permit Requests' with columns: Student Name, Purpose, Course & Year, Type of Permit, Status, Date Requested, and Actions. The table contains one row for a student named Kenneth, with Purpose 'Exam', Course & Year 'BSIT 2nd Year', Type of Permit 'Travel Permit', Status 'Pending', and Date Requested '2025-03-30 17:31:53'. The Actions column has 'Approve' and 'Reject' buttons.

Student Name	Purpose	Course & Year	Type of Permit	Status	Date Requested	Actions
Kenneth	Exam	BSIT 2nd Year	Travel Permit	Pending	2025-03-30 17:31:53	<button>Approve</button> <button>Reject</button>

Please remove this Page (Permit Request Page).

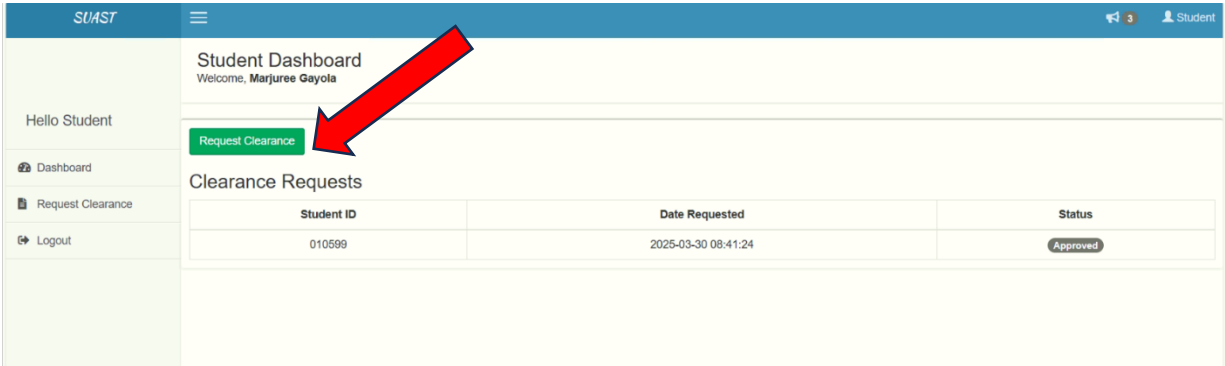

3.

The screenshot shows the Request Clearance | Dashboard. The left sidebar contains a menu with options: Dashboard, Permit Request, Clearance Request, Student Record, Announcement, and Logout. The main content area is titled 'Request Clearance | Dashboard' and 'Hello Accounting'. It features a table titled 'Clearance Requests' with columns: #, Student ID, Student Name, Status, Date Requested, and Actions. The table contains one row for a student named Kenneth N. Genobisa, with Student ID '010599', Status 'Approved', and Date Requested '2025-03-30 08:41:24'. The Actions column has a 'Generate Clearance' button.

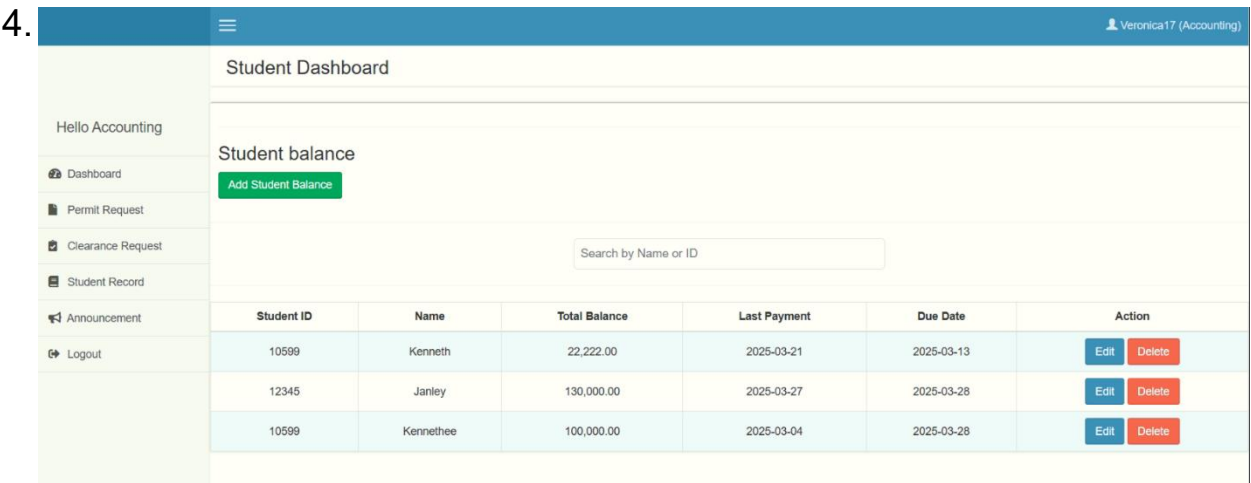

#	Student ID	Student Name	Status	Date Requested	Actions
21	010599	Kenneth N. Genobisa	Approved	2025-03-30 08:41:24	<button>Generate Clearance</button>

Can you please add two columns from the table above and name it as “Current Balance” and “Timeframe” where the admin can type the current balance of the student (e.g “Pls pay 4,000 for 1<sup>st</sup> sem 2024-2025” or “no current balance”) and assign a specific date for the student to claim their clearance at the accounting office. If the student has a current balance while requesting their clearance, they will be able to view it on their dashboard alongside the timeframe and status of their request here:

Please also add two columns at the table above and name it also as “Current Balance” and “Timeframe”. This is the Request Clearance Dashboard at the Accounting student side. And the green button seems misplaced. Please also add an announcements page because the admin side has an announcements page but the student side doesn’t have it.

Please remove the student balance page kay giisa nalang ni sya sa request clearance.

On the left is a sidebar with a light green background containing five navigation items: 'Dashboard' (with a home icon), 'Service' (with a gear icon), 'Leave Request' (with an envelope icon), 'Personnel Inquiry' (with a person icon), and 'Logout' (with a door icon). The main content area has a blue header bar with a hamburger menu icon on the left and a user profile 'Employee' on the right. Below the header, the main content area is white and displays 'Dashboard' with a welcome message 'Welcome, Farhanah'. A blue button labeled 'SERVICE' is visible in the main content area.

Please adjust the interface on this side because how come there's only a button at the dashboard page... messy jud kaayu sya. Or remove the Dashboard page nalang.
